FAITH FUTURE

FAITH IN THE FUTURE WORSHIP SERIES

May 2019

"The missionary church will not aim to spread its own form. It is not a subsidiary of the old one. It is a 'new church' of the same apostolate. It preserves its unity when it fulfills Christ's apostolic mission to its own historical situation."

— J. Moltmann, *The Church in the power of the Spirit*. SCM 1977

The church is changing. It always has been. It always will be. Some receive this news and evidence all around as bad news. But our faith in Jesus is GOOD NEWS. It always has been. It always will be.

Join us in worship over three Sundays in May for a post-Easter series, FAITH IN THE FUTURE. Over these weeks we will see how the church is moving from something... to something NEW.
