#### **What is WCCNS Summer Camp?**

Our 2½ hour classes will be filled with a variety of activities such as water play, nature walks, pretend camping trips, obstacle courses, music, games, story time, snacks and more as we enjoy our Minnesota summer.

Our camp "counselors" are all teachers from our school –we call them "Teacher Counselors" since we know they bring their educational expertise to ensure the camp is both fun and instructive.

#### **What to Expect at Camp:**

- You can expect that your child will be busy and active--so have them wear active clothes and don't forget sunscreen!
- You can expect some interesting "summer" things to go home with your child!
- You can expect that your child will keep up some of their school friendships and meet new friends at camp--so be ready for those playdate requests!
- You can expect that your child will have lots of FUN every day --be ready for some good stories!
